Pete Wilson
Governor

October 5, 1998

Dear Sir or Madam:

Enhanced Vapor Recovery Workshop

At the August 11, 1998 Enhanced Vapor Recovery Workshop, we announced that the next workshop would be held on either September 9 or 10. The September Workshop was postponed until October to provide us with time needed to complete additional testing and to develop draft regulatory language. This means that the Board will not be hearing an Enhanced Vapor Recovery item in December 1998 as initially proposed. Due to numerous stakeholder schedule conflicts in October, we have rescheduled the workshop as follows:

DATE: Tuesday, November 10, 1998

TIME: 1:00 p.m. to 5:00 p.m.

PLACE: Board of Equalization
Boardroom
450 N Street
Sacramento, California

Please note the new location of the workshop. Enclosed is the information on building location and parking options.

A preliminary agenda is enclosed and is subject to change. We will have draft regulatory language for some of the topics posted on the Enhanced Vapor Recovery web page at least two weeks in advance of the workshop.

If you have questions or need further information, please contact Cindy Castronovo, George Lew, or myself. We can be reached at (916) 263-1628, (916) 263-1030, or (916) 445-3742, respectively.

Sincerely,

ORIGINAL SIGNED BY

William V. Loscutoff, Chief
Monitoring and Laboratory Division

 - A. Failure Mode Identification
5. Test Method Update
 - A. Follow-up to August Board meeting
 - B. Current Test Method Development
6. Proposed EVR Schedule

Board of Equalization Boardroom Location

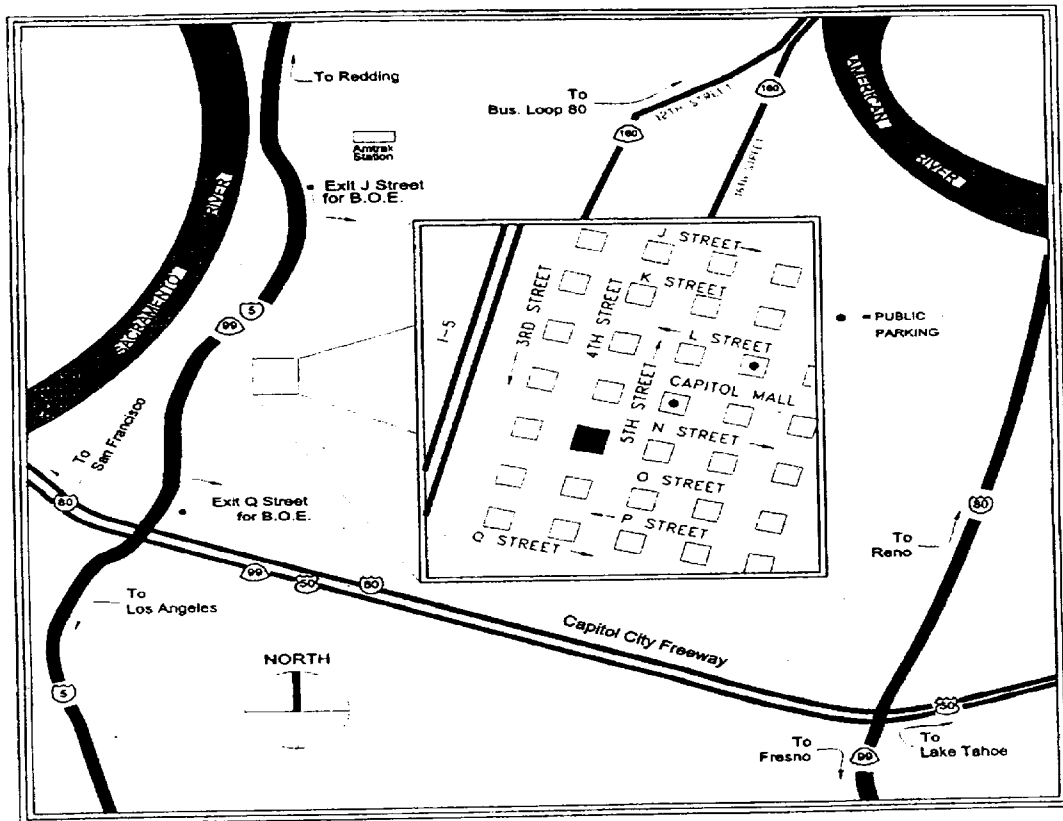

The Board of Equalization building is located at 450 N Street in Sacramento. Public Entrances to the building are located on the corner of 5th Street and N Street. The building can be conveniently reached by car from both Interstate 5 and Interstate 80. If you are located in the Sacramento area, the building is also close to the Light Rail stops at 8th and Capitol (coming from Butterfield).

The 450 N Street building does have a pay parking garage attached, but spaces are frequently unavailable. The rate is \$6.00 per day. Other nearby public parking lots are located at 4th and L, 6th and L, 500 Capitol Mall, Old Sacramento, 500 R Street, and at the Wells Fargo Building (4th and N). Rates at these locations vary, but are generally between \$1.00 to \$1.25 per hour. Metered on-street parking is also available near the building. Rates are normally 25 cents per half-hour with maximum allowed parking time of 2 hours.

The 450 N Street building has a public cafeteria located on the first floor. Pay phones, a pay telephone facsimile, and an ATM machine are conveniently located near the cafeteria.

Attached is a map showing the Board's location and a floor plan of the first floor for 450 N which shows the location of the Board Hearing Room and the cafeteria, ATM machine, and pay phones. Please note the Board Hearing Room is wheel chair accessible.

STATE BOARD OF EQUALIZATION
450 N Street, Sacramento, CA 95814

Traveling from East: Take HWY 50 to Interstate 5 North -- during the transition to 5, remain in the right lane and exit the Q Street off-ramp. Go to 5th Street and turn left. We are 3 blocks up on the left.

Traveling from West: Take Capitol City Freeway (Business 80). Take the Downtown Sacramento exit. Approximately 1.8 miles turn right on 4th Street. Left on N Street.

Traveling from North-West: Take Interstate 5 South to the Q Street off-ramp. Go to 5th Street and turn left. We are 3 blocks up on the left.

Traveling South-West: Take Interstate 5 North. Exit the Q Street off-ramp. Go to 5th Street and turn left. We are 3 blocks up on the left.

Traveling from South-East: Take 99 North to Capitol City Freeway (Business 80) West. Take Capitol City Freeway west to Interstate 5 North -- during the transition to 5, remain in the right lane and exit the Q Street off-ramp. Go to 5th Street and turn left. We are 3 blocks up on the left.
